

Mac And Rory Grammar Stories

Prepositions of Place

(Where's The Remote?)

Mac and Rory are in the sitting room about to watch their favourite TV show.

Fantastic Boy is just so cool!

There's someone at the door.

Ding Dong

It was just the postman.

OK, we're ready! Where's the remote?

50 episodes! Excellent! Let's start!

Who could that be?

I don't know. I thought it was on the table.

Maybe it's behind the cushion.

Is it under the sofa?

Is it beside the TV?

No. Ok, let's think. Where does Dad always hide it?

Nope.

No.

Between the books on the shelf!

Yes, it's near the big blue book. Yeah, above the red and pink ones.

Finally....

Got it! OK! Let's watch Fantastic Boy!
