

Mac And Rory Grammar Stories We Will... (Always Be Friends!)

Mac and Rory are stargazing.

OK, Mac, where are the shooting stars?

We will see one in a minute!

Five minutes later....

OK, can I go home now?

Be patient! It'll be amazing!

And I'll be a zoo keeper. I love animals.

I love looking at the stars. I think I'll be an astrophysicist when I grow up.

Will we ever travel into space? Hey, did you see that?

Maybe... See what?

What will we do in space?... I know! We'll be space tourists!

And I'll buy a robot so we'll never have to do chores again!

You are playing too many video games. Stop!

OK, we won't buy a robot.

Later, in their sleeping bags....

We'll always be friends.

And we'll do silly things like stay out in the cold all night looking at the stars.

Mac, I'm really cold now. Can we go in?

Will I ask Mum for a hot water bottle for you?

There's that thing again. I'll ask Mac what it is when he gets back.
