

Mac and Rory Grammar Stories

This, That, These Or Those?

Mac and Rory are shopping for clothes.

What do you think of this t-shirt?

Ehhh...what about that orange t-shirt behind you?

That? No, that's too... orange.

I like that one. It's different.

It's very similar to what you already have.

Nonsense. This is perfect.

Rory is looking for shoes now...

This is great fun!

Yeah...Do you remember when we went shopping with Mum? That was not fun!

OK, where are the boys' shoes?

Those shoes over there are so cool!

What about these? I like the look of these ones!

I prefer those, over there.

When Mac and Rory get home...

Right Mac, I'm going to try on all these new things.

OK, that's a great idea, Rory.

Well, what do you think?

...eh...that t-shirt is so...you! And those shoes...I don't know what to say!
