

Mac and Rory Grammar Stories

Simple Past

(I had a really good summer!)

Rory is back in school after the summer holidays.

I had a really good summer.

Tell us all about it, Rory.

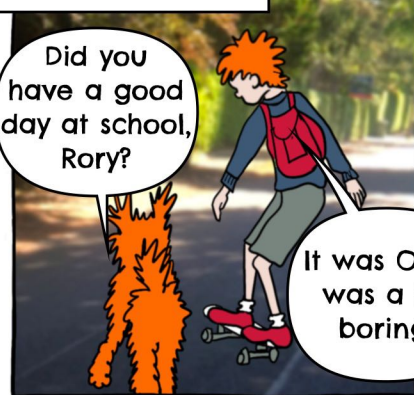

I surfed. My friends called around. And we climbed some mountains.

Wow! You did a lot!

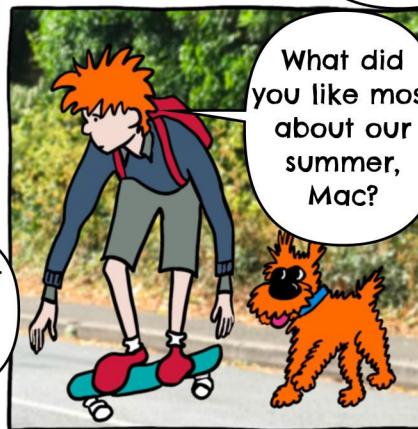

We went to the beach. Mac made a friend. We saw a meteor shower. And I flew my kite.

On the way home...

Did you have a good day at school, Rory?

It was OK. It was a bit boring.

What did you like most about our summer, Mac?

I liked the beach but I didn't like surfing!

Were you too busy with your new friend?

I was not too busy!

Yes, we had a great summer!

Sure we always have a great time, Rory!
