

Mac and Rory Grammar Stories

Some Or Any

(Red Or Blue Baubles!)

Rory likes his Christmas tree to be perfect.

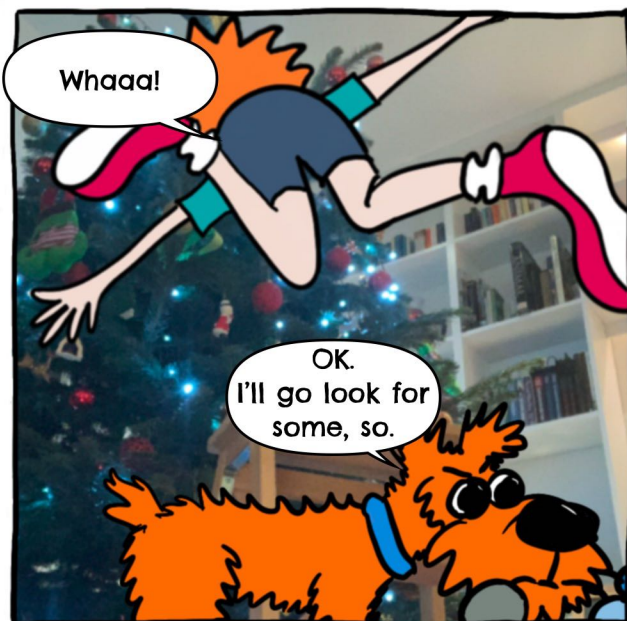

No, I don't want any blue baubles. I need red baubles!

Would you like some silver baubles, Rory? We don't have any on the tree.

No, I said red, Mac! Do you have any red baubles or not?

At last, Mac finds some red baubles.

Would you like some help, Rory?

Later, in front of the fire...

I asked for some video games. What did you ask for?

Oh yeah, I ask for those too.
